NEW YORKS AND CHICAGOS PLAY A FINE GAME.

Fast Fielding With the White Sox a Shade Better With the Bat-Philadelphias Shut Out Clevelands—Petroits Win Two in Washington—No Game in Boston.

The New Yorks and Chicagos of the American League are again tied for first place in the most remarkable of pennent struggles. The Chicagos beat the New Yorks yesterday. The Boston-is. Louis game was postponed on account of rain, Philadelphia shut out Cleveland, and Detroit won two games in Chicago, 4; New York, 2.

CHICAGO (A. L.). 4: NEW YORK (A. L.), 2. day was conspicuous for fast and flawless fielding on both sides, but the Chicagos were a bit better with the stick, and this shade of superiority swung the victory to them. It was a fine game, nevertheless, especially on the heavy going that the rain made, the fielding being as near perfect as fielding can be. One of 'Chicago's runs resulted from a wild pitch and another was traceable to a base on balls, making Orth responsible for the two. Yet Orth pulled out of several squally situations so dexterously that no fault could be found with him. Owen excelled Orth in all-around effectiveness.

The first inning was the worst from a home standpoint. Holmes singled to centre and was forced by Jones's stinger to Williams. Jones went to third on Callahan's hit to right

Jones went to third on Callahan's hit to right and scored on Davis's fly to Keeler. Callahan reached second on Keeler's throw in. Callahan moves like the wind, and on a wild pitch he scored from second base.

The second inning was lively. Isbell opened with a single and Dundon sacrificed.

bagger, and he and Williams got the ball to the plate ahead of Isbell. The New Yorks soored in this inning after two were out. Conroy hit to right for two bages and Kleinow hit into a puddle of water in left field for two hit into a puddle of water in left field for two bases.

Holmes opened the third inning with a three-bagger, but great fielding kept him from scoring. After Jones had filed to Conroy, Elberfeld made a superb stop of Callahan's screamer and threw out Holmes at the plate. Davis lifted a fly to Elberfeld. Orth tied the score in the fifth. He beat out a hit to Owen, and Dougherty bunted skilfully past Tannehill, who was running in for the bunt. Keeler sacrificed. Orth scored on Williams's fly to Jones, and Ganzel's contribution had all the earmarks of a hit until Davis pulled the down after a hard run.

Davis got around in the sixth inning on a base on balls, Tannehill's sacrifice and Dundon's clean crack to left field. "Ducky" Holmes proved a very valuable understudy for Green, and in the seventh inning produced his second three-bagger, sooring on Jones's fly to Keeler.

Two New Yorkers reached first on balls

duced his second three-bagger, scoring on Jones fly to Keeler.

Two New Yorkers reached first on balls in the eighth: but the first one, Keeler, was doubled on Williams's hard drive to Davis, and the second, Ganzel, was left as Elberfeld grounded to Dundon. A remarkable play was made by Elberfeld in the ninth inning. Dundon was stealing, and Kleinow's throw was low and to the right of second base. Elberfeld took the throw with his left hand while running and with the same motion slapped the ball on Dundon. The score:

ST. LOUIS (N. L.), 8; BROOKLYN, S.

ST. LOUIS, Aug. 20.—The Cardinals defeated Brooklyn to-day. Nichols and Scanlon, the former Pirate, opened as the respective twirlers; but the latter gave way to Cronin after pitching four and a half innings, when the bases were full, owing to his wildness, which netted the Cardinals their fifth run. Brooklyn opened as though a winner, an error of Nichols, a wild pitch and four singles netting two runs. Argin, in the fifth, an error, a wild pitch and Grady's bad throw allowed a third finan to register, the last one the visitors were able to score. In the seventh Shay pulled off a quick double play to Beckley, which nipped the only other chance they had for a tally. In the sixth, a hit and run play netted the Cardinals two tallies, and in the seventh a double, a sacrifice and a single registered the locals' eighth and last run of the day. The score:

The Livingston Field Club had Paterson as opponents in a league championship game at Staten Island where the champions added another victory to their record by a margin of 102 runs. A. J. G. Cook was in rare batting form for the winners and put on 61 in capital style. A. G. Laurie hit hard for 30 not out while C. H. Clarke added 22, C. H. E. Griffith 17 and S. E. G. Cook 13. For Paterson, W. Clarkson and J. Shilton were the only men to score double figures with 10 apiece. A. G. Laurie bowled with great effect for the winners and captured 5 w. tects for 18 runs, while F. F. Kelly took 3 fo 29. The totals were: Livingston Field Club, 153 (declared for 7 wickets): Paterson, 51.

The Mamhattans sent a team of only five men to williamsbridge for its league championship match with Columbia Oval and was defeated by 78 runs. Columbia Oval was enabled to declare its innings closed with only five wickets down for 143. A. H. Dorey was in great form with the bat for the winners and scored 65 not out, while A. Hoskings added 24, L. Mara 22 and C. Bennett 15. For Manhattan, F. A. Slade carried his bat through the innings for 34, and R. J. Taylor added 13. The totals were Columbia Oval, 143 (declared for 5 wickets): Manhattan, 65.

The Manhattan Association team presented only seven men for its championship at Prospect Park against the Thistles and suffered defeat by 105 runs. A. Wyllis, with a good not out innings of 35, made top score, of the game, while J. Adam hit merrily for 30 and B. L. McCallum for 22. Double figures were also added by G. Dehalle and A. Richardson, while the last named did the best bowling with a record of 3 wickets for 9 runs, while S. L. McCallum captured 2 for 16. The totals were: Manhattan II., 27; Thistles, 132.

The Columbia Oval Club was also represented by a short-handed team of eight men in its game at Prospect Park with the West Indians. With contributions of 47 not out from O. Waithe, 22 from J. Play for the Metropolitan Tennis League championship was continued yesterday with only three of the clubs engaged. Because of the soggy condition of the courts at Travers Island, the matches between the New York Athletic and the Crescent Athletic clubs were postponed. from Newport in time to take part.

The result of the day's play gave the Kings County Tennis Club a practical win of the

series with 21 victories and but 9 defeats. Its nearest competitor is the West Side Club

with 17 wins and 10 defeats. As the two re-maining matches of the Kings County Tennis Club are against the Montclair Athletic Club, the weakest team on the list, it seems hardly likely that the Brooklyn club can be passed.

With two opponents to meet on the same day the New Yorkers were at a great disadvantage, particularly as their best two players, Wylie Grant and Robert Le Roy, were not available. F. G. Anderson, who had just returned from Newport, won easily from L. H. Hill of the home club. The other singles went to the veteran Dr. W. N. Fraser, who has played for the Rings County club for years. The New Yorker, Otto M. Sterpfeld, was on the defensive from the start and took only two games in the two sets played. Dr. Frazer's strong service and clever volleying were the features. The doubles went also to the visiting pair, Dr. Frazer and J. W. Anderson, who won in straight sets from Hill and Sternfeld.

In the singles each club took a match, while the doubles went to the Mew Yorkers, Theodore R. Pell and Robert T. Bryan, in straight sets. H. Torrance, Jr., and George B. Case represented the home club. The one interesting contest of the day was between Torrance and Bryan, the Englewood man winning after the full three sets were played. The opening set went to Torrance on better placing, but Bryan tied matters, taking the second set with a sharp rally. On the play-off Bryan went to pleces, his opponent scoring a love set.

The second tourney now going on on the courts of the Freeport Golf Club has afforded some interesting matches. The luck of the draw brought the best players together in the first match. R. H. The other winners were G. J. Sproull, C. B. Webster and I. W. Webster. In the second round E. Sproull played a rattling contest against R. H. GALE SENDS YACHTS TO COVER. Brenton's Reef Cup Race Will Be Sailed To-morrow if Conditions Permit.

NewPort, Aug. 20.—The race for the Brenton's Reef cup, which was to have been sailed to-day, was postponed. A gale from the southeast, heavy rain and a big sea kept the yachts in the harbor. If the storm abates they will be started next Monday. The they will be started next Monday. The schooner Endymion, owned by George Lauder, Jr., Resolute, John A. Masury, and Atlantic, E. Marshall, were to have raced from Brenton's Reef lightship to Sandy Hook lightship and back, a distance of 264 miles.

The storm began in the night, and when the yachtsmen turned out it was blowing hard and raining. The wind increased in force, and the regatta committee asked the owners if they wished to race. The sailing masters advised against starting, but Mr. Lauder said he had challenged for the oup and he would start. The others then agreed to go and preparations were made.

The Resolute sent up her main and foresail and jib and sailed out toward the lightship at 10 o'clock. The Endymion followed under similar canvus, and the Atlantic waited. The wind had increased in force, and the big boats, with lee rails awash, seemed fairly to fly toward the lightship, and the committee on the Unique followed.

The Resolute disappeared in the mist and the Endymion confollowed and the few vice.

with lee rails awash, seemed fairly to fly toward the lightship, and the committee on the Unique followed.

The Resolute disappeared in the mist and the Endymion soon followed cuit, but a few minutes later both were heading into the harbor again. The wind was blowing at least 40 miles an hour, and it would have been foolish to have started a race under such conditions. The yachts returned to their moorings, and the race was postponed.

The 70-footers. Yankee, Rainbow and Virginia, were to have sailed for a sweepstakes, and the 60-footers. Weetamoe and Neola, were to have sailed a match, but these races were declared off. The captains met on board the flagship Delaware at 11 o'clock. Resolutions were adopted congratulating Commodore Bourne on the result of the gruise and the able way it had been conducted, and the flost then disbanded.

FOOTBALL CHANGES FOR 1904

SCRIMMAGE DEVELOPMENT MOST SERIOUSLY AFFECTED.

So Says Walter Camp, Foremost Expert
—Scoring and Penalties and Hew They Will Work on the New Checkerboard Field—The Duties of the Officials.

Changes in detail in the football rules are to be found in the Spalding Guide, just out, and will doubtless engage the close attention of players, captains, officials and others interested. It is no easy matter to master football rules in detail, particularly as changes are made by the rules committee annually. Some object to this constant tinkering, as they call it, but none deny that the committee is actuated by good motives. Walter Camp, who edits the rules, and is the game's foremost expert, has this to say of this year's changes:
"The changes in the rules for 1904 in the

main affect most seriously the scrimmage development. Last year, between the two 35-yard lines in the middle of the field a team was restricted to seven men in the line, but inside the 25-yard line, that is, nearer the goal line the old formations were admissible. In 1903 the quarter back could run only when in the middle of the field, that is, between the two 25-yard lines, and that meant when only seven men were on the rush lines or line of scrimmage. This year a team never can have less than six men on the rush line, and if only six are on the rush line then one of the mea who plays behind the line must be outside the man occupying the position on the end of the line of scrimmage. But it is admissible the line of scrimmage. But it is admissible to run the quarter back at any time and in any part of the field, so long as the above provision is complied with, and so long as he runs at least five yards outside of the spot where the ball was put in play.

"The change next in importance is probably that regarding according. Under the rules."

that regarding scoring. Under the rules of 1904 a field kick goal, instead of scoring 5 points as it has for many years, will count but four. This will be true, whether the goal is made by a drop kick or a place kick from the catch, or a kick from placement in the

Will Not Go to Providence If Sold to Killilea.

MILWAUKRE, Wis., Aug. 20.—If Henry J Killilea and F. C. Gross of Milwaukee, buy the American League franchise in Washington next year, the team will remain in Washington and not go to Providence. This was decided upon yesterday at a conference held here between Ban Johnson and John Taylor of Boston and Killilea, who was asked to take the Washington franchise. was asked to take the washington franchise. It was a continuation of the conference begun in Chicago on Thursday. No decision was reached as to the sale of the club, it was said but it is generally believed that Killilea and his silent partner, Gross, will go into the deal. Gross said last night that if they take the club it will surely remain in Washington.

Pole at Newport.

NewPort, Aug. 20.—Myopia, second, this afternoon defeated the PhiladelphiaCountryClub in the match in the polo finals for the Newport cups, the score being 13 to 9%. The game was played in the rain. It was the best match of the Newport tournament thus far, and of the Newport tournament thus far, and the Myopia players put up excellent team work, rode hard and Norman and Milburn distinguished themselves for their individual work. For Philadelphia Rosengarten and Grace were the strong players, but they were unable to cope with their opponents. About the middle of the same Rosengarten was thrown from his mount, but was not injured. The line-up was as follows:

Philadelphia—1, W. R. Grace, 2; 2, M. G. Rosengarten, Jr., 5; 3, Alex. Brown, 4; back, W. H. T. Huin, 0.

Myopia—1, A. Ames. 3; 2, M. Norman, 4; 2, D. Milburn, 5; back, F. B. Fay, 4.

Cole and Stift Put Up a Hard Fight.

George Cole of Trenton, colored, and Billy Stift of Chicago put up a rattling six round bout before the Manhattan A. C. in Philadelphia on Friday night. The mill went the limit, but through no fault of the principals, limit, but through no fault of the principals, who went after each other to do or be done. Cole was in the pink of condition, while Stiff lacked form. The Chicagoan was game, however, and went after the nearo vengefully. In the third round Stift, who had the advantage of twenty-five pounds, brought Cole to his knees with a wicked swing on the chin. Cole recovered and had Stiff almost out at the call of time. Both were tired in the fourth and much punished. The final two rounds were slow, and had there been any decision the verdict would have been a draw.

The bicycle races scheduled for Manhattan seach yesterday were postponed, and the ame programme will be run next flesures.

HEAVY BETTING ON PACERS. at Parkway.

In what was practically a match race be tween two of the crack horses of Brooklyn, some of the heaviest betting ever witnessed on the course of the Parkway Driving Club

It was a free-for-all race, but the entries of Nat Ward's brown gelding Quarter Stake, 2:11, and President Frank Jacobus's Kanawha Star, 2:18%, kept out every one sise. Despite the threatening weather, there was a fair crowd to see the race. Quarter Stake outfooted the Jacobus horse in the first heat, winning by half a length in 2:17%. Kanawha Star came back and captured the second in a terrific sprint down the stretch, going "the long mile" all the way and finishing in 2:18%, with something left at that. Excitement was at fever heat when Starter John Schliemann called them for the third heat, but the descent of the rain stopped the racing at this critical stare. The deciding heat was postponed until next week, all bets being declared off on the race, but being paid as to the heats.

Charles D. Strang, driving the green trotting mare Senorial, took the Class B race in fast time for the course, winning in straight heats in a field of seven trotters and pacers.

A NEW FIGHTING CLUB To Pitch Its R ing in Canada—Big Purse for Ryan-O'Brien Go.

new fighting club has loomed up and its first efforts are being made toward arranging a match between Jack O'Brien and Tommy Ryan, to decide the middleweight title The club is known as the International Ath-The club is known as the International Athletic Association of Rouse's Point, N. Y. It offers, through its matchmaker, secretary and treasurer. Henry D. Gibbs, a purse of 10,000 for Ryan and O'Brien to meet. The club does not intend to hold the mill in this State, but on Canadian territory.

Gibbs, in a letter to a friend in this city, writes that it is the intention of his club to have the battle in daylight before Oct. 1 next. To show its sincerity, he says, the club is prepared to post \$5,000 on the day articles of agreement are signed, and \$5,000 in addition ten days before the fight takes place. Both fighters, the club stipulates, must deposit half of this sum, or \$5,000 each, as a forfeit. The club is ready to furnish training quarters free for both men and allow them \$200 each for training expenses. If the purse is not satisfactory to the men, Gibbs says that he will let the men battle for 75 per cent. of the gate receipts.

It is understood that O'Brien will accept the proposition. He has been in communication with Gibbs and will sign articles as soon as Ryan consents. Followers of the ring think that Ryan must accept or suffer a loss of prestige. The promoters insist on a 20-round bout, and declare that the men can fight to a finish if they care to.

Cycle Parade Postponed. The "Metropolitan Cyclists Reunion and

The "Metropolitan Cyclists Reunion and Parade," that was to have been held yesterday, was postponed because of the weather. A number of riders went to the starting point, at the Fifty-ninth street and Eighth avenue entrance to Central Park, before they got news of the postponement, and it appeared as if the affair might have been very successful despite the muddy roads. Chairman Schwab of the committee will give notice later of the date for the parade.

Commercial Cars have reduced the cost of carrying parcels to the lowest point yet reached. This was demonstrated in a week's test under the most exacting conditions by a big Boston Department Store. The price reached was 2,44 cents per

NEW BICYCLE RECORDS. Stinson at Cambridge Lowers the Figures for the Hour. CAMBRIDGE, Mass., Aug. 20 .- Will Stinson

CAMBRIDGE, Mass., Aug. 20.—Will Stinson rode 42 miles, 1,372 yards in the one hour bicycle race here last night, breaking all American records from the twenty-sixth mile on. Leo Mettling was second with 40 miles 1,683 yards to his credit. The other four contestants quit riding for one reason or another. Mettling had the lead for a few miles, but Stinson went to the front in the fifteenth and remained there until the end of the hour. Caldwell lapped the bunch early in the race, but finally dropped out in the thirteenth mile. Butler quit in the ninth mile, and Suikins retired in the twenty-first, because of the breaking of the chain on his motor.
